

# Does Chilean network cabinet offer a 5-year warranty

## Overview

With the 5-year protection platinum plan option, you and your family can use your kitchen or bathroom the way it's meant to be used, without fear of life getting in the way. Around 5 years for budget cabinet lines or builder-grade products. 20-25 years or "lifetime" on certain premium. Cambium Networks warrants ("Product Warranty" or "Standard Warranty") the Cambium branded hardware products ("Products") against defects in material and workmanship, when used under normal conditions and consistent with applicable Product documentation supplied with the Product for a period of ONE. IKEA offers limited warranties starting on the day of purchase on select product series with the original receipt as proof of purchase. Warranty is a statement of product quality with an offer of replacement to remedy manufacturing defects. It does not address issues relating to the operational support needs of devices or systems. Have comfort in knowing that your entire kitchen or bathroom will be completely REPLACED if your cabinets are no longer. An acquaintance has recommended a local custom cabinetmaker but he offers only a one year warranty. Is that typical?

My reference has had her cabinets for over ten years and hasn't had any problems with them.
