

Manufacturer of complete sets of explosion-proof low-voltage distribution boxes

Overview

BARTEC offers one of the most extensive ranges of explosion-proof and substance-resistant components, devices, and systems for controlling, switching, and connecting for hazardous areas and particularly harsh environments. Your Electrical & Explosion Proof specialist, and manufacturer of the complete range of ATEX and IECEx compliant Ex-proof electrical equipment for use in Zone 1 and Zone 2, such as enclosures, control stations, distribution boards, ATEX lighting fixtures, cable glands, and more. We provide added. Atexdelvalle offers world-class explosion-protected solutions guaranteeing highest quality and performance with no compromise. These include cable glands and lighting ranges. Our products are approved for use in many hazardous area applications including: The new 2021 edition of our. R. Reliable power distribution increases both system availability and the safety of personnel and systems.
