

Qatar Direct-Buried Standard Optical Cable Manufacturer

Overview

DOHA CABLES QATAR is a company forged from the successful partnership between AAMAL Holding and El Sewedy Cables in 2009, that would become the first Qatari manufacturer of cables. Al JASSRA Fiberplast is a prominent manufacturer of fiberglass products in Qatar, emphasizing high-quality production and adherence to international standards. Doha Cables has succeeded in establishing itself over the past decade as one of the dominant forces in the cables. Corning Cable Systems Cables are flame-retardant, UV-resistant, indoor/outdoor cables designed for aerial, duct and direct-buried applications with no need for a transition splice when entering the building. Discover top businesses with great services. Our services include supply, installation, and testing services for all your cabling needs, including Fiber Optic, Cat 6 (Data), Coaxial (RF/Video), and CCTV systems. The team at work and the manufacturing practices make us stand apart in the crowd, and offer the best services.
